E.C. Dance Needs Student **Backing To Insure Success**

By BOB ELSNER

Something that needs the support of every SAC student is the forthcoming all-Eastern Conference Dance will will be held Saturday, April 18 at the Rendezvous Ballroom in Balboa. If this dance is a success, it will mean that there will be more and better ones to come. On the other hand, if the dance is a flop, it will probably be the last.

The first Eastern Conference Dance, which was held three years ago, was a tremendous success, with over 1800 students attending. But inasmuch as it takes much preparation. the second one of its type did not materialize until this year. Each year there have been attempts to revive it, but only through the efforts of the newly-formed Eastern Conference Student Body Presidents' Association. was it made possible.

Long in Preparation

Early last semester the groundwork was being laid for the affair. Each college was put in charge of a different phase of the dance, with Santa Ana and Orange Coast as co-hosts.

Freddie Martin and his orchestra was obtained at a cost of \$1050.00.

A contest for queen of the dance was set up, with Santa Ana in charge of the coronation and tabulation.

It was decided to hold a contest among the colleges, with the winner determined from blood donations on a percentage basis.

SAC in Lead

Santa Ana College students went out and donated 142 pints of blood, and it looks as though no other school will be able to top us, either percentagewise or even in total pints.

Tickets only cost \$3.00 per couple and with Balboa just 12 miles away, there is no excuse for SAC students not attending. Tickets may be purchased from any Executive Board member, and there will be none sold at the door the night of the dance.

Peace Moves Are Danger Sign; 'No Meeting Needed To End Cold War'—Force

This is the first in a series of articles by members of the SAC faculty answering questions directed to them by the El Don. The initial column is written by SAC history instructor Dr. Edwin T. Force answering the question "Do you think that the new regime in Russia is sincere in its recent statements concerning a meeting between Malenkov and Eisenhower to end the cold war-"-Ed.

By DR. EDWIN T. FORCE

Russia will only be sincere when she has something to gain by sincerity. If Russia wanted to end the cold war, she could do so in many ways, and at once. No meeting with anyone would be necessary.

Let us not be lulled into a sense of false security at the first mention of the word "peace." When totalitarian governments talk peace, it is then that they are the most dangerous. Kurusu came to Washington in December of 1941 to talk peace, and the bombs fell on Pearl Harbor literally while he was talking.

Russia seeks world domination, and there will be no peace for this world until she either dominates, or her present governing group and the philosophy it represents is destroyed It is my feeling that she is almost ready to take the great gamble. We must be prepared for any eventuality. Sincere? The present government of Russia is never sincere, only sincerely Russian.

WELDING STUDENT COMPLETES HEAVY DUTY TRAILER

Gary Wells, SAC welding class student, this week completed work on a heavy-duty utility trailer which he built in his shop class.

He began work on the trailer in January and has completed it in less than three months. With minor help from his classmates, Wells did most of the work himself, accord ing to Mr. George Sweeney, SAC welding instructor.

This trailer which will hold total of 2,000 pounds will be used by its owner for private hauling.

Total cost of producing the trailer was \$69.45, most of which was required for the axle and wheels. This price is extremely reasonable, compared to the \$365 commercial price of an equivalent trailer.

Wells has constructed the trailer to meet professional standards and it is hard to distinguish from the commercially-made models. It may be moved by hand since it is made of lightweight material. The railings are made of pine and the bottom is marine plywood set on two

Pushing over a run in the last of the eighth, Santa Ana's Dons shaded Fullerton in a 1-0 thriller Tuesday to remain one-half game behind Orange Coast in the confernce standings. The contest, slated for seven innings, was played at Memorial Park.

Bob Switzer drew a free pass to open the eighth, took second base on Bob Baker's high fly, and tallied the game's only run when Dan Rogers dropped Joe Voso's fly as he and Hal Conrad collided.

Santa Ana had runners on second and third with one out in the fifth frame, but failed to take advantage of the opportunity.

Fullerton almost won the game in the sixth inning. Two men were out, but the Hornets had third and second occupied. Conrad went down swinging, but catcher Gard Ford dropped the ball and then threw low to first base. Harvey Bryan dug it out of the dirt just in time to nip the runner.

Don pitcher Carmelo Renne twirled a no-hitter for four innings until Rogers broke the spell with a single in the fifth. Renne restricted the Hornets to one hit the rest of the way.

Santa Ana In Citrus Tournament; To Defend Consolation Championship

Coach Joe Koral's Don nine opened play in the City Tourney yesterday with a 12:30 contest against Ventura. T game lasted only seven innings.

At 2:45 Santa Ana squared off against the winner/loser of the Glendale-Palo Verde contest at Glendora. This morning they face either Citrus JC or El Camino. Results of yesterday's games were unavailable at press time.

Consolation Winners

Defending champion is Bakersfield Junior College which defeated Orange Coast for the title last year. After losing to Los Angeles CC in last year's first game, 11 to 3, the Dons went on to cop the consolation title by knocking off Phoenix, Palomar, and El Camino.

Santa Ana's probable starting line-up will include Gary Ford, the club's leading hitter with a .429 average in conference play, catching; Harvey Bryan at first base; and Chuck Burke and Marshall Van der Linde at second and short Riverside, San Bernardino and V stop. Bob Baker will hold down the hot corner. The outfield will be composed of Bob Switzer, Tom Laspada, and Humberto Valdivia.

Losing only to Santa Monica and Long Beach, Santa Ana's WAA volleyball team captured third place in the playday at San Bernardino Friday.

Thirteen schools entered the tournament, each played six games. El Camino took first place by winning all their games while Long Beach finished second with only

The Donas started out fast by beating LA Valley 9 to 7, San Bernardino 12 to 2, Citrus 13 to 7, and LA Harbor 17 to 2. Scores of their defeats at the hands of El Camino and Long Beach were 13 to 8 and 15 to 5 respectively.

At a board meeting Monday, the WAA voted in favor of a co-ed volleyball tournament to be held during the noor hour on the college courts, starting April 13. Teams are to be comprised of three girls and three boys.

Miss Rellstab would like to have as many teams as possible entered and will soon have a place to sign up in the cafeteria.

Seven teams and a faculty squad competed last year. There will be championship and consolation

Voso Probable Starter

Koral is not certain on his star ing pitcher, but it will be eith Joe Voso or Carmelo Renne. Ja Dales, who was credited with la Thursday's 5-2 win over El Tor is also available for duty. J Voso, by batting in twelve runs the last three conference games, assured of a starting berth in el er the outfield or on the mound.

A total of twenty-four tear have entered the competition. cluded are Orange Coast and F

Others are Santa Monica, Ba ersfield, East Los Angeles, Com ton, Muir, Glendale, Los Angel CC, Palo Verde, Ventura, Citro El Camino, Long Beach CC, Poly, Mt. San Antonio, Harbo Pasadena, Phoenix, San Dieg
